

Sprint 1 Report

Product Name: UCSC Academic Planner

Team Member Name: Charles Tzou, Hannah Ekman, Anthony Campos, Jazmin Maravilla, Michael Lau

Date: 10/22/2018

Stop Doing:

None

Start Doing:

- Cite your sources for code snippets
- Make tasks more specific and detailed
- Work on the project for at least 30 minutes as a group after each Scrum meeting
- Assign one task initially at a time rather than multiple tasks at a time
- Use points rather than hours as a better representation of time spent (0-20 scale)

Continue Doing:

- Good communication on discord
- Mention in communication channel when you have a pull request

Work Completion Rate:

Number of User Stories completed: 0

Total Number of Work Hours Completed: 17

Total Number of Days During Sprint: 14 days

User Stories/Day: 0

Ideal Work Hours/Day: 1.286 hours/day
